

FJF Tiebreaking Procedures

1. Head to head (if only 2 teams are tied)
2. Best winning percentage vs. tied teams (if 3 or more teams are tied)
3. Best winning percentage vs. playoff qualified teams (if 3 or more teams are still tied)
4. Coin flip

Note: Once a group of 3 or more teams are narrowed to 2 teams, the head to head record determines the higher seed.

*Division 2 Procedure: Process is the same as described as above. If 2 teams are tied with a 1-1 head to head record, Step 3 above will be applied. If the teams are still tied, Step 4 above will be applied.
